Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: Dada's strategies; Dada's future business development, financial condition and results of operations; Dada's ability to maintain its relationship with major strategic investors; its ability to provide efficient on-demand delivery services and offer quality on-demand retail experience; its ability to maintain and enhance the recognition and reputation of its brands; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in Dada's filings with the SEC. All information provided in this press release is as of the date of this press release, and Dada does not undertake any obligation to update any forward-looking statement, except as required under applicable law.

About Dada

Dada is a leading platform of local on-demand retail and delivery in China. It operates JDDJ, one of China's largest local on-demand retail platforms for retailers and brand owners, and Dada Now, a leading local on-demand delivery platform open to merchants and individual senders across various industries and product categories. The Company's two platforms are inter-connected and mutually beneficial. The Dada Now platform enables improved delivery experience for participants on the JDDJ platform through its readily accessible fulfillment solutions and strong on-demand delivery infrastructure. Meanwhile, the vast volume of on-demand delivery orders from the JDDJ platform increases order volume and density for the Dada Now platform.
